Findings by Severity, Requested Window

1

Executive Summary

This report was generated on request for a custom date range, using the same comprehensive template as the monthly report. Requested by: Chief AI Officer, for a hypothetical RBI supervisory information request covering the two weeks immediately following MSME Credit CAM Prep's go-live.

2

Compliance Mapping Status

- No compliance gaps opened or closed during the requested window.
- Fairness-testing evidence for MSME Credit CAM Prep confirmed complete as of go-live (Wk 17).

3

Program Progress

- MSME Credit CAM Prep: live as of Week 17, on schedule.
- No budget variance recorded during the requested window.

4

Agent Fleet Status

- MSME Credit CAM Prep: all Validation Gate metrics within threshold across the full window.

5

Audit & Assurance

- No non-conformities opened during the requested window.

Regulatory Watch Highlights

- No regulatory amendments detected during the requested window.

New Initiatives

Not applicable to this custom-range request.
